## THE MACK PENNY PLAN Will Cut Spending and Balance the Budget

Congressman Connie Mack voted against the nation's short-term debt deal because it did little to stop reckless spending and financial irresponsibility. What was passed was a scheme, not a solution to Washington's spending problem.

**The Mack Penny Plan** is simple – eliminate one penny out of every federal dollar spent.

### THE MACK PENNY PLAN

- ✓ **Cuts** total federal spending by one percent each year for six consecutive years
- ✓ **Caps** spending at 18 percent of GDP in 2018
- ✓ **Balances** the budget in 2019

We must stand up to Washington's spending problem, and restore economic freedom to Americans with **The Mack Penny Plan**.

**Freedom. Security. Prosperity.**
